## How it Works?

## How it works?

How it Works? An all-in-one digital platform that allows full visibility of the entire e-commerce selling cycle from Sourcing, e-fulfillment, order confirmation, delivery, Payment processing, Collection and merchants digital wallets. 1. Connect your Ecommerce website into COD Network COD network connects you to various ecommerce platforms and marketplaces. Worry free integration, you can either use our user-interface or integrate with APIs. 2. Let us source your inventory or collect it from your desired location We take care of quality control, freight options and custom clearance, hassle free. We can manufacture, source or ship your inventory from our network of suppliers around the world to one of our warehouses, door to door. 3. Start your online sales! When you receive an order through one of the integrated sales channels, it is automatically imported into the COD network platform. Fast, free, error free. However, you can enter the order manually or via a CSV file. 4. Confirm your order via our call center We can manage 100% of your order taking service needs, starting from the lead coming from your sales channel until the sale is done and confirmed. 5. Get your order picked, packed and ready to dispatch The minute your order is confirmed, it gets forwarded to be picked, packed and dispatched to the correct courier. 6. Track your order delivery Get everything you need to know to track your package. You can track by tracking number and reference number as well as view shipping history. 7. Receive payment for your delivered orders We collect the payment from your customer, then remit you the payment. We can send you your money anywhere you are in the world.

**Step 1 Create account** Initiate your account setup. Once your account undergoes our review process, a dedicated account manager will be assigned.

**Step 2 Product Sourcing** Following your successful product research, you're now prepared to order your inventory and connect your store to the COD Network.

**Step 3 Market & Earn** Expand your marketing efforts and commence selling your products; you'll receive payments for your invoices on a weekly basis.

## An all-in-one digital platform

COD Network's Affiliate platform is a service that allows you to sell products without having capital to buy the commodity wholesale. We provide all services from importing goods, call centers, warehousing, shipping and collecting funds and sending them to our client accounts. We help people achieve and earn highly profitable commissions through their marketing of the products we make available to them on the Affiliate website.
